- EXPLORE AVAILABLE TESTS
- MANAGE PRACTITIONERS

GETTING STARTED

1. ADD PRACTITIONERS
2. ADD PATIENTS
3. ORDER TESTS

FAQ's

YOUR ACTION LIST

- Confirm Payment
- Confirm Samples for Collection
- Active Enquiries
- Reports for Approval

INDUSTRY NEWS

Precision medicine will increase drug prices and that's a good thing

Precision medicine provides better targeting of treatments to patients who really benefit from them. Fewer people will be treated with a given drug, compared to standard therapies, but everyone is better off. Read More

WHAT OTHERS ARE SAYING...

"PathCloud seeks to resource the best facilities at the most economic cost and I believe it will transform the current competitive field of genomic testing."

Dr. Nick Pownall
Senior Clinical Investigator to St Bartholomew's Hospital and The Hospital for Sick Children
